Animal-wise: Understanding The Language Of Animal Messengers And Companions (10th Anniversary Edition)

Synopsis

In this 10 year anniversary edition of Ted Andrews' best selling and award winning book on animals, Ted expands and revises the entire work. In 1999 it was chosen Best Spirituality Book, Best Non-Fiction Book, Best General Interest Book and BOOK OF THE YEAR. It now contains nearly 200 animals not found in his modern classic ANIMAL-SPEAK.

ISBN-10: 1888767634

ISBN-13: 978-1888767636

Product Dimensions: 1 x 7.5 x 10.2 inches

Shipping Weight: 1.9 pounds (View shipping rates and policies)

Average Customer Review: 4.8 out of 5 stars 25 customer reviews

Best Sellers Rank: #85,676 in Books (See Top 100 in Books) #48 in Books > Religion & Spirituality > New Age & Spirituality > Shamanism #25198 in Books > Textbooks

Customer Reviews

I've had Ted Andrews' Animal-Speak for years - it is a wonderful resource for identifying the reasons why an animal has shown up in your life, and it also presents a wealth of factual information about the animals, their habitats and mannerisms. This companion book to Animal-Speak addresses a wider range of insects, and also includes more exotic animals and some mythical creatures as well.

Ted Andrews has always been an incredible man with incredible theories and ideas. "Animal-Wise", like his earlier book, "Animal-Speak" helps the reader to discover the symbolic meanings of animals and what they can, and do, mean in your own life. He also helps you to discover what your totem animal is: a "spiritual guide" that aids you throughout your life. Some people have one while others have several. To some people, this may seem like B.S. but for those who believe, or are even curious, Ted Andrews is the author to turn to. Other authors have written about the same subject, but without the passion or the easy explanations that Ted Andrews does. I definitely give this book, and its author, a 5-STAR THUMBS UP! Animal-wise: Understanding the Language of Animal Messengers and Companions (10th Anniversary Edition)

"The sheer beauty of animals fill us with wonder. Our heart jumps. Our breath catches. Our pulse races. We feel the touch of the Divine within Nature and upon our soul. But what is often missing is the understanding of our encounters." The 10th Anniversary Edition of Animal Wise has been revised and expanded. One major noticeable change is in the editing. Among others are the addition of a "Part 7" which is titled the "Kingdom of Mystical Creatures" which includes Basilisk up to Unicorn. The descriptions take on a more personal note, as Ted shares stories about his encounters, namely his rescue of a Barred Owl named Calliope that was found injured along a roadside in Tennessee after a tornado hit. A lot of the animals presented are of the exotic type and may turn away those seeking guidance for the more domesticated ones of the US (look into Animal Speak, also by Ted), but this book is more than worth the price of admission.

This is a wonderful companion to my Animal-Wise Tarot deck. I would definitely recommend this book to anyone looking for spiritual guidance and to understand signs and from the animal kingdom!

Ted Andrews left the world a legacy unequalled by very few. He was in touch with life via lifeforms and spirit. His works are truly a gift no matter what the cost.

An especially great help in my everyday life to understand the message of nature around me. They have guided me several times.

All Ted Andrews books are worth owning. Animals tell us so much if we just know how to listen.

Awesome book, use this a lot with my interactions with other creatures in the world that cross my path; even in the urban area of Seattle.
