How to Write Poetry

I used this book in the teaching of poetry to middle schoolers and can't recommend it enough. Fabulous suggestions for turning kids into poets. We had a lot of fun trying out Tsujimoto's clever ideas.

This book provides a solid and imaginative basis for teaching poetry to secondary students. Truly, it is an excellent foundation.

Joseph Tsujimoto's book is the best resource I've find in my 18 years of teaching to help teenagers write poetry. It's a favorite on my bookshelf
