Growing Mushrooms For Profit: The Definitive Step-By-Step Guide To Growing Mushrooms At Home For Profit (Growing Mushrooms For Profit, Growing Mushrooms ... Mushrooms, Growing Oyster Mushrooms)

Synopsis

These are the most amazing secrets professional mushroom growers don't want you to know! Who Else Wants to Grow Tasty, Edible Mushrooms From the Comfort of Their Home? At Last! Everything you ever wanted to know about growing edible mushrooms - revealed! Did you ever wonder how you can actually grow tasty mushrooms at home? Do you dream of harvesting your very own fresh mushrooms? Are you eager to start mushroom farming with your own two hands? If you answered "yes" to any of the questions above, then this may very well be the most exciting message you've read all day. Here's why... You're about to discover a proven system for growing edible mushrooms at home. This system works whether you have experience in gardening or growing mushrooms or none at all. Here's the thing: growing mushrooms is really for everyone. It doesn't matter if you are a programmer, plumber or teacher by trade - mushroom cultivation is something that anyone can succeed in because the process is so straightforward and easy. When you know how to handle the mushroom culture and the actual mushroom spawn, you are ready to farm your own oyster mushrooms or shiitake mushrooms at home. What most people don't realise is that mushroom farming is extremely easy to do. I know, because... I've been farming edible mushrooms for over five years! In that time, I've developed a foolproof 'formula' for growing edible mushrooms that anyone can implement within the day with little or no difficulty at all. This system is guaranteed to teach you everything you need to know about creating pure mushroom culture, preparing viable substrates and adding spawn to the substrate for maximum mushroom yield. Here Are Three Good Reasons Why Mushroom Farming is Perfect for Everyone

ONE: There is no back-breaking work involved

TWO: Mushroom growing supplies and equipment are readily available

THREE: Once your systems are in place, you just have to wait for the mushrooms to appear!

If you've always wanted to grow your own mushrooms for your culinary adventures, this will work for you. If you want to grow mushrooms and sell them to your local organic market, this is for you. If you like the idea of gaining all of the wonderful health benefits of eating edible mushrooms like the shiitake, this is for you. In my book I will teach you a time-tested and perfected system for growing edible mushrooms. This formula is a simple, step-by-step plan you will follow to create the perfect conditions for maximum yield. Of course, I also provide step-by-step method for inoculating your chosen substrate. So, you'll have the option of growing button mushrooms, oyster mushrooms or even the more specialised shiitake mushroom. My system has been tested, tweaked, and perfected after years of implementation and adjustment. The reason why it's so popular is simple: It Just Works!

See, what most people don't realise is that growing mushrooms is extremely simple. You just need to know what to do, and how to do it! Even if you're a total beginner and haven't got a clue where to start, you

can create the perfect growing area for edible mushrooms within twenty four hours! There are essentially 3 main things you need to know about cultivating mushrooms: 1. How to create pure culture of the target fungus species 2. How to create and increase the volume of spawn 3. How to prepare the perfect substrate for your mushrooms "Growing Mushrooms for Profit: The Definitive Step-By-Step Guide to Growing Mushrooms at Home for Profit " covers all of this, and a lot more. And when you read it, you'll be BLOWN AWAY with how simple it really is to grow your own mushrooms at home.
