Space Simulator Strategies & Secrets: Strategies & Secrets

Synopsis

Microsoft's new Space Simulator brings game graphics to new heights. Dargahi shows you how to take off and land, launch probes, gather data about planets, and plan and execute your own exploratory missions through space. He provides scores of secrets and strategies for planning and flying your missions and shows how to travel to the other stars to visit alien solar systems.

Customer Reviews

i need it to change , Really a solid, sharp (very sharp!) product. My old serrated product disappeared somewhere, but I wish I'd bought this one years ago. I will recommend it to my friend. the most professional service. good product with high quality.
