## Synopsis

Fugitive financier John Rudiger has lived a lush life in Antigua for eleven years, but now the local officials are demanding ever more exorbitant payouts to maintain his cover. And since his ex-girlfriend Katie Dolan swindled him out of his last \$30 million, Rudiger is on thin ice. Meanwhile, Katie is holed up with her ailing father in Cape Verde, an African paradise conveniently lacking an extradition treaty with the U.S., an idea she took right out of Rudiger's playbook. Despite the double cross, Rudiger is still hot for Katie, and he knows just where to find her when he decides it's time to leave Antigua. But with U.S. Attorney Charlie Holden set on catching them both, they'll have to tread carefully. To make matters worse, Katie's been sucked in by a dashing, disreputable Swiss banker and has deposited the \$30 million right into his hands. Can they get it back and make their escape before it's too late?

## Customer Reviews

Delightfully fun caper thriller with multi-faceted characters, whirlwind plot twists and glamorous international settings. The lead is John Rudiger from Lender's Rudiger Stories and he takes it up a

significant notch in this slam-bang tale of greed, revenge, justice and just-desserts. There isn't a boring soul in the house, from Rudiger at his cerebral planning, nervy best, Katie in her spicy and sharp-tongued element, her Daddy's charming and wise perspective, Swiss banker Ducasse at his villainous, vile worst, and the U.S attorney Charlie Holden as his double-dealing and sneaky usual self. It has lots of financial and scheming machinations that will take you on quite an adrenaline ride. Even a romance!

Fast-paced thriller that takes you on a ride from the Caribbean to Africa, Europe and through multiple thrills. Lots of action, crisp dialog and a spicy romance between the resourceful John Rudiger and feisty Katie Dolan. They match wits, insults and passions. A truly enjoyable journey with never a flat moment.

A roller coaster ride of a sequel to and every element a notch higher than Rudiger Stories. This story takes Rudiger from his exile home in Antigua to a fast paced jaunt around the world to find his former girlfriend Katie and his money. He comes up against his old nemesis, US Attorney Charlie Holden and a slimy Swiss banker. Rudiger finds creative ways to match wits and scams with both of them in a story with wit, some romance, suspense and lots of action. A great read.

Unlikely action by Rudiger moves the story until I could not put it down. Sex seemed an editor add in sometimes.

David Lender captures a love story and financial intrigue very well. Great read, couldn't put it down, I think this is the best one so far.

David Lender is now among my favorites, up there with Patterson and Grisham. I still favor Clancy over all of them. Lender's style is straight forward, with enough twists to keep things interesting. While these two were definitely criminals, I still found myself rooting for them. I will read ALL future Lender offerings, as I do Grisham and Patterson.

I don't give 5 stars easily but David Lender did a great job with the Rudiger stories. There are actually FIVE books that comprise the set and Spin Move is the final chapter and it is very well done. Read them all, take your time, the characters are well established and very believable. This is important to me when I read a book. These characters were very real and well described. I enjoyed

the books very much and Spin Move is very, very good.

Another great piece by Mr. Lender. His books are so wonderful because I never know where they are going. I have re-read many of them because they are so enjoyable.
