I long...to take refuge in the shelter of your wings.

The delicate artwork of Carolyn Shores Wright appears on collector's plates and prints, needlework patterns, cards, clothing designs, and in the books *Abundance of the Heart* and *Beneath His Wings*. Carolyn particularly enjoys painting birds.

The little gift books published by Harvest House are favorites that I purchase when I want to let a friend know that I am thinking of them. Carolyn Shores Wright is one of my most admired artists for her delightful capture of nature including flowers and birds. The small nature of this book enables me to slip it easily into a padded mailer and send it on the way to a friend. They have the ability to brighten the day of your dear friends who may be experiencing any one of life's challenges. I highly

recommend this for anyone.
