Women And Public Policy: A Revolution In Progress, 3rd Edition

Synopsis

In a much-anticipated revision, the third edition of this widely used volume continues to track the impact of cultural change on women's roles and the public policies that affect their lives. *Women and Public Policy* places a broad range of policy issues - from education and health care to economic equity and the criminal justice system - in historical context, discusses the formation and implementation of current policy, and explores public policy silences. In addition to featuring and analyzing new data, this third edition: highlights issues of race, class, age, and ethnicity, showing how they intersect with gender in crucial ways. includes greatly expanded coverage of reproductive issues with a new chapter devoted to the topic, looking comprehensively at contraception and abortion, the international gag rule, Ru-486, the morning after pill, later-term abortion developments, and reproductive technologies. showcases recent developments in all policy areas, from the impact of welfare reform on educational opportunities and child support enforcement to a discussion of Medicare and prescription drug coverage.

Customer Reviews

M. Margaret Conway is Distinguished Professor of Political Science at the University of Florida. Among her publications are *Political Participation in the United States*, Third Edition (2000), *The Politics of Asian American* (2004), and *Women and Political Participation*, Second Edition (2005) and *Women and Public Policy*, Third Edition (2005), on which she is coauthor. She has published widely in academic journals, including the *American Political Science Review*, *Journal of Politics*,

and Women and Politics. David W. Ahern is professor of political science at the University of Dayton. He is coauthor of *Women and Political Participation, Second Edition* (2005). His articles on political socialization have appeared in *Public Opinion Quarterly*, *Political Behavior*, and *Simulation and Games*. Gertrude A. Steuarnagel is professor of political science at Kent State University. She is coauthor of *Women and Political Participation, Second Edition* (2005), and *Women and Public Policy, Third Edition* (2005). Her research and teaching interests include women and politics, women's health, autism policy, and political theory.

I haven't really touched the book for my course and my other two women's politics and public policy books are working a bit better. It's interesting enough though.

This book came very fast and was in fantastic condition! The content was very easy to read and provided a lot of information about women and politics!
