Customer Reviews

Should Christians observe the Sabbath on Saturday? Are Gentile Christians spiritual Jews? Was the New Testament written in Hebrew? Are there Jewish denominations? Do the Jewish people expect a literal Messiah? Written in a compelling, accessible style, this comprehensive guide answers the 60 questions Christians ask most frequently about Jewish people and culture, drawn from the steady stream of queries Dr. Brown receives every month. As a Messianic believer, he provides articulate answers to questions about modern and historical Jewish practices and beliefs. He also addresses believers' inquiries about their own relationship to the Old Testament Law, such as "Should Christians adhere to the dietary laws?" "Michael Brown is the best scholar among Messianic Jews today. He has written a much-needed book to help his fellow Christians understand the Jews. He has a balanced view as to what Jews, Jewishness and Jewish customs mean that will help Christians appreciate the earthly family of Jesus." --Moishe Rosen, founder, Jews for Jesus "This is an amazing book, even for people like me who have walked with our Jewish brothers of faith for many years. Michael Brown's own Jewish background, coupled with his years of fruitful ministry in the Church, make him singularly capable for the task." --Don Finto, director, The Caleb Company; pastor emeritus, Belmont Church, Nashville; author, Your People Shall Be My People

Dr. Michael Brown, Ph.D., is the director of the Coalition of Conscience and president of FIRE School of Ministry in Concord, North Carolina. He holds a Ph.D. in Near Eastern Languages and Literatures from New York University and is a published biblical s

I've always been fascinated by the workings of Judaism but never really understood it. Now I have friends who are into the Hebrew Roots movement and I don't really understand that either. This book does a great job of explaining Judaism (the author is a "Christian Jew"....raised Jewish but believes in Jesus now and is saved), the Hebrew Roots ideas, as well as giving a lot of history from the time of Jesus and the disciples, and then explaining how all of this is relevant to Christians today. I found it very helpful and interesting, and have already passed it off to a friend to read. Mr. Brown is obviously very knowledgeable on this subject, and it was very informative.

I really enjoyed this book, but more importantly it is very useful in answering many important Christian questions regarding the Church's relationship (past and present) with the Jewish people. Questions about Christians obligation to OT law, Sabbath practices, support for Israel, etc. are all addressed in very serious and thoughtful ways. To find all of these questions addressed in one place is wonderful.

Great read! Answered all of my Jewish questions.

I Really appreciated this book, i've read only some subjects of interest to me but I found Michael Brown to be "the real deal" Thank you so much Dr. Brown Shalom Pastor Alberto Marroquin

A must read for everyone who calls themselves a Christian. We have been taught too much grace. There has to be a balance and you can learn a lot from this book. We need to remember where we came from.

The book was delivered in record time. I'm very pleased with the condition of the book, very well kept. Full of information...thank you!!

This is another great book by Michael Brown. Scholastic, thorough, and easy to read. It addresses questions you always wanted to know but we're afraid to ask.

I took a trip to Israel 3 months ago and came back wanting to know all things Jewish. This Book answers a lot of my questions and then some. It's easy to understand (except the explanation of Does the Jews use the word Jehovah, that was too complicated for me to understand). Recommended for anyone wanting to understand the Jews better.
