## **Customer Reviews**

...There's a lot to learn from this book. Thank for the author who took the time explain in simple words the traps and tricks of our age. May God safeguard our Iman

Good book. A welcome antidote to materialism.

It was very informative in the way it was written. It help me with my understanding of the Surah. Thanks

This is not an exhaustive source. However, the content is good enough for majority muslims,

especially those who recites this surah every Friday. It helps us to appreciate the weekly surah that we are reading.

I am so very much enjoying this selection.

Thanks

Great book
