Customer Reviews

'a comprehensive book looking at the perioperative area; it is small in size and so can be easily carried around and referred to.' British Journal of Anaesthetic and Recovery Nursing 'I liked this text for its simplicity and would recommend it to student nurses, trainee ODPs and staff new to the perioperative environment.' British Journal of Anaesthetic and Recovery Nursing "Practical, clinically based and well referenced, this pocket guide serves as a quick reference for learners in theatres and staff on the wards."
