## Customer Reviews

This book is a must for every person who wants to stay current and move ahead in the area of nursing. The book is very educational, well researched and evidenced-based nursing. It is simply an essential ingredients needed to cultivate the nursing leaders of tomorrow.

This book will surely help a nurse decide which kind of nursing job would fit his personality and learn

what duties are done by each specialty.

Going into the field there is a lot more information available beyond this book but it is a great foundation to get you thinking about the nursing path that you may want to pursue

This book offered great information on different areas of nursing. I wish it had more areas of nursing but this suffice.

Thank you for the information! Awesome book! Good to know the different areas of nursing. Can't wait to be a nurse!

Very informative...on all areas of nursing and what is required. I am beginning nursing school and am reading up on all areas! Thank you

This book provided great guidance and explanation in the respective areas of nursing. It has given me the impetus to pursue a LPN to RN degree.

I never got this book? Did I order it
