In this book you will learn some of the techniques in meditating of your life. You will also discover the Inner Freedom, happiness and the clarity in your self. Must Read this book, there are more thing you will learn about and how to be feel free from inside and also it will help your everyday's life cycle. Read and you won't forget it.

Useful meditation book! I had never used meditation previously before this book. However, I was able to easily employ the techniques referenced in this book to begin my quest for inner peace. Meditation has now become a daily ritual for me. I begin my day with a half hour session and I like to end my day with a half our session. I immediately begun to have better sleep and I am now less stressed throughout the day. For me, everyone should try reading this book!

What is meditation? or What is mindfulness? - Both of these ancient practices are the mirror to your inner world. They are involve expanding your awareness, it is your most fundamental nature and beyond any concepts including religion and spirituality. This book written about Benefits of charging your mind, Physical & Emotional well being, Guidelines for practicing meditation & mindfulness, Progressive relaxation etc. The book lessons are really useful to know all.

Writer Erik Tao is a really great book writer in this time . Excellent read on self-improvement and visualizing what you, as a human being, can make happen! Listed out in detail per chapter, this is definitely a worth-while exploration into what motivates us, what can keep us going, how we can react to situations, and how we can affect other people in our lives.

This book is very good because we can all learn how to relax our mind and body and learn how to accept who we are. This book contains tons of tips that actually work and you learn how to free yourself from all the negative thinking. And after you do all this steps you will feel happy and content about yourself and i personally recommend this book to all of you guys.

I really like this book. It gives you lots of ways to be mindful during your day. It gives you little exercises to do to help you become more mindful. I would read a little bit every day just to learn a little more. It has really helped me learn how to relax and become more stress-free. I recommend this book to all my friends. Thank you mom for letting me have this book..

Amazing guidebook for people who wanted to learn how to use meditation and mindfulness to achieve a happy life. The instructions and guidelines are so easy to follow and understand!
