Red Emma Speaks: An Emma Goldman Reader

Synopsis

Unlike any other collection of Goldmanâ™s work, *Red Emma Speaks* presents in a single, handy volume the full sweep of her opinions and personality. In addition to nine essays from Goldmanâ™s own 1910 collection, *Anarchism and Other Essays*, three dramatic sections from her 1931 autobiography, *Living My Life*, and the afterword to her *My Disillusionment in Russia* (which the collapse of the Soviet Union later revealed as prescient), this book contains sixteen more pieces covering a great range of subjects, assembled here for the first time to offer a rich composite of Goldmanâ™s life and thought. Red Emma speaks on: anarchism, sex, prostitution, marriage, jealousy, prisons, religion, schools, violence, war, communism, and much more. This new third edition, containing a new foreword by Alix Kates Shulman and more accessible source listings, has been revised to situate the works more precisely in light of burgeoning Goldman scholarship.

Customer Reviews

"Alix Shulman has provided a truly elegant collection of Goldman's speeches and writings. . . . Shulman's introductions also display a rare and genuine knowledge of anarchist political thought....In her comments, she attempts to show the contemporary releva

Alix Kates Shulmen, a member of Redstockings, one of the earliest womenâ™s liberation groups in the United States, has published four novels including the feminist classic *Memoirs of an Ex-Prom*

Queen, two books on Emma Goldman, numerous short stories and essays on feminist themes, and a memoir, Drinking the Rain.

The greatest tragedy is that there have not been more Emma Goldmans. This book does a very good job in providing a survey of her many beliefs and "political" positions.

Must read for any one with a background on american feminism that is not conected with the suffrage movement, Emma goldman was a voice for the people

Wonderful collection of Emma Goldman's writings and speeches, selected by Alix Kates Shulman. Recommended to anarcha-feminists everywhere. The woman was a phenomenon!

One of the most brilliant minds in the history of this world.

Best known for her poem on the Statue of Liberty ("give me your tired...I lift my lamp on golden doors.") Emma had an extensive lectureschedule. Unionists, communists, nillists, anarchists, and assorted radicals attended meetings where she was the star feature. Pres.McKinley's assassin claimed her as his inspiration. Somehow, her death in a riot of socialists and communists in Germany is fitting. Shulmangives the reader the Emma essentials.

I did not like it. I don't remember why.

Emma Goldman was one of the most important anarchist writers. This collection presents a good selection of her work, ranging through her entire life and covering a wide range of topics. This collection contains a lot of important material that is not present in other collections, such as the Dover volume. This is essential reading for anyone interested in anarchism or feminism.
