Very nice kids book. My 8 year old loves reading these books.

Hated this series! Had so many typos! WHAT?!?!

This is a Good Book.

We enjoyed theurst book. I read them to my children. Reading the second book there were many typos. Why was this not edited before becoming available? If my children were reading it they would be lost. At one point, the mermaid Princess Alice, had a name change to Ariel. How is this? These books and story line is great. But it needs to be edited before. So my children don't struggle trying to read it like I did.

This book would have been better off with more time put into reading it over, and over, and over again. However I love the story line and plot.
