Eternal Stories From The Upanishads

Synopsis

The Upanishads include some of the most beloved and illuminating stories from the vast literature of India's Vedic tradition. Adapted from the original text, these tales tell the story of enlightenment in simple, poetic language that will appeal to all. The power and beauty of Vedic life unfolds in a variety of settings: a teacher and his student in a secluded forest ashram, a great seer meditating in a Himalayan retreat, and a proud king bowing to the wisdom of the poor. The Upanishads express the full glory of the inner self. When one has realized the Self, everyone and every thing becomes near and dear, and one flows in universal love. This is the reality of the highest level of consciousness and the ultimate truth of life. The timeless and universal wisdom expressed in these stories reminds us of the natural flow of life towards its supreme goal. --This text refers to an alternate Paperback edition.

Best Sellers Rank: #1,587,609 in Books (See Top 100 in Books) #75 in Books > Religion & Spirituality > Hinduism > Sacred Writings > Upanishads #17826 in Books > Science & Math > Physics

Customer Reviews

classic stories, very small print so beware, cant make it larger! some stories meant to be read outloud like much of the oral tradition.

Very nice short stories.

Erudite and enlightened translation to this ancient map to Absolute.

This is a nicely produced book, though it is a children's book and I didn't realize that when I

purchased the book. The Upanishads are largely philosophical, and this book attempts to put the basics of Vedanta philosophy into simple stories. This is nice for children but waters down the deep and profound philosophy of the Upanishads. There has been greater success in rendering story-oriented Indian teachings, the epics and Puranas, for children.
