Synopsis

Dive into a dragon filled adventure! When scruffy Seb and noble Thea are paired as dragon riders, they never imagined they'd be the Kingdom's last hope. High-born Agatheia Flamma intends to bring honor to her family by following in her brothers' footsteps and taking her rightful place as a Dragon Rider. With her only other option being marriage, Thea will not accept failure. She's not thrilled at her awkward, scruffy partner, Seb, but their dragon has chosen, and now the unlikely duo must learn to work as a team. Seventeen-year-old Sebastian has long been ashamed of his drunken father and poor upbringing, but then he's chosen to train as a Dragon Rider at the prestigious academy. Thrust into a world where he doesn't fit in, Seb finds a connection with his dragon that is even more powerful than he imagined. Soon, he's doing all he can to succeed and not embarrass his new partner, Thea. When Seb hears rumors that an old danger is reemerging, he and Thea begin to investigate. Armed only with their determination and the dragon they both ride, Thea and Seb may be the only defense against the Darkening that threatens to sweep the land. Together, they will have to learn to work together to save their kingdom or die trying. The unlikely duo forged an unbreakable bond, but now with dark stirrings in the south their bond will be put to the ultimate test. Seb discovers Lord Vincent has returned and he wants to unleash an ancient evil that will destroy the lives of everyone in the kingdom; The Darkening. In order to defend the realm against unspeakable foes, Seb, Thea, and their shared dragon, Kalax, set out on an arduous journey.

Customer Reviews

In a world of humans and dragons, two unlikely pair becomes a great team . One rider , another sort of navigator. But there is trouble in a peaceful kingdom. Murder, betrayal, a surprise!

Excellent job great series I highly recommend it.Great read very hard to put down.Keeps you turning page's wondering what happens next.Keep Up the great work.

I truly enjoyed the boxed set. The characters are engaging and the story is well written.

Really good series. Characters are great. Story is a bit predictable at some points and throws some twists in there that you don't think of. Overall worth the money to buy and read. Would suggest it for any one who loves dragons or coming of age stories.

A wonderful dragon adventure. It is a well-written story with lots of action. The heroes and heroines are intelligent and human. They learn that friends are the family you get to choose and there is always hope.

I was pulled into these books since the first one. They were hard to put down. They all connected very nicely and made you want to read more. Great author.

What a great series I lost sleep because I couldn't put it down.Would recommend it to all who like adventure.

Enjoyed all 3 books. Satisfying conclusion. Requirement for a minimum number of words is annoying and enough to stop me from leaving any kind of review.
