# The Philosophies Of India

## Synopsis

We often associate India with Eastern wisdom; indeed for several thousand years Indian thinkers have offered profound insights into the meaning of life and death. India's grand systems of philosophy seek accounts both for the cosmic order of things and for social existence. Indian ideas first entered Western consciousness in the nineteenth century and their full impact is just now beginning to be felt --This text refers to the Audio Cassette edition.

## Book Information

Audible Audio Edition

Listening Length: 2 hoursÂ andÂ 57 minutes

Program Type: Audiobook

#106 inÂ Books > Religion & Spirituality > Other Eastern Religions & Sacred Texts > Karma #446  
inÂ Books > Audible Audiobooks > Religion & Spirituality > Buddhism & Eastern Religions

## Customer Reviews

This is an excellent audio introduction to the various philosophies of India: primary Hinduism and Buddhism. The various key concepts of each philosophy (dharma, dukkha, karma, yoga, etc.) are discussed in lucid detail. One walks away with a new (or renewed!) appreciation for the diversity of thought present on the Indian peninsula.
