Rebirth: Age Of Expansion - A Kurtherian Gambit Series (The Ascension Myth Book 5)

Synopsis

Molly is back from the dead. And now even more capable. But the transformation is not without more serious issues. Problems that not even ADAM can help with. Feeling cursed, she undergoes a Vision Quest. Â The rest of the team prepare for the General's clandestine assignment back at the base. Â But with the fate of the Federation hanging in the balance, a question arises. Can Molly handle this next mission?--- PLEASE NOTE ---Inside this book is cursing, amusing cursing, but cursing nonetheless. If bad language offends you, perhaps this book is not for you.â ¸ Set on the foundation laid by the Kurtherian Gambit Series, The Ascension Myth tells an entirely new story in the Age of Expansion--when the Etheric Empire is fast becoming the Etheric Federation with all of the trials and tribulations that come with bringing together different peoples, systems, and ideals.

Customer Reviews

Hello first let me say that I really enjoyed this series and in particular the fact that the author is able to keep the reader engaged at this point in the series many authors seem to fade as the series goes

along. This book kept me guessing all the way to the end and pleased with the growth of the author has given the characters and makes me curious what direction she's going to take series and the individual characters .

Mollie and her team of misfits(?) again make things right in BA's new Federation. Another great story about doing things that won't become public but make the difference in this universe. Great writing and wonderful character development make it a great read. Waiting impatiently for the next chapter about Mollie and her team.

I have never had to prioritize the order in which I read books in a single universe. I don't know how MA finds/creates all these authors that have so much skill and story in them, then gets them to write it out in such a short period of time. Please, keep doing whatever it is that you do!

I love your books have them all along with Michael books. I love the series. My one question is the time line is this book to Michael book Never Surrender should your reference to archangel be archangel 2 instead of archangel. And for the people that do not know what I am talking about READ the books

Can not get enough of the whole universe. Awesome!!! Way to go! My book budget is getting out of hand but I got my husband addicted to all as well so it's that next book out....muahaha. Thanks you are both awesome story tellers.

Molly is back but after being brought back in the med pod she is seeing strange things and now she can home in on people around her. She has got to get a handle on this. I love this series and can't wait for more!!!

Once again, you have kept me from doing anything useful beyond reading about what is happening with Molly. Actually, I'm okay with that. I love the pace and the direction this series is taking in the TKG universe. I can't wait to read the next one. Keep up the amazing job.

Another great installment in the series. Enjoyed the flow of the story and the way each character added to the story was great. Keep up the good work. Hopping for another book.
