The Nonprofit Manager's Resource Directory, 2nd Edition

Synopsis

A newly revised and updated edition of the ultimate resource for nonprofit managers. If you're a nonprofit manager, you probably spend a good deal of your time tracking down hard-to-find answers to complicated questions. The Nonprofit Manager's Resource Directory, Second Edition provides instant answers to all your questions concerning nonprofit-oriented product and service providers, Internet sites, funding sources, publications, support and advocacy groups, and much more. If you need help finding volunteers, understanding new legislation, or writing grant proposals, help has arrived. This new, updated edition features expanded coverage of important issues and even more answers to all your nonprofit questions. Revised to keep vital information up to the minute, The Nonprofit Manager's Resource Directory, Second Edition:

- * Contains more than 2,000 detailed listings of both nonprofit and for-profit resources, products, and services
- * Supplies complete details on everything from assistance and support groups to software vendors and Internet servers, management consultants to list marketers
- * Provides information on all kinds of free and low-cost products available to nonprofits
- * Features an entirely new section on international issues
- * Plus: 10 bonus sections available only on CD-ROM

The Nonprofit Manager's Resource Directory, Second Edition has the information you need to keep your nonprofit alive and well in these challenging times. Topics include:

- * Accountability and Ethics
- * Assessment and Evaluation
- * Financial Management
- * General Management
- * Governance
- * Human Resource Management
- * Information Technology
- * International Third Sector
- * Leadership
- * Legal Issues
- * Marketing and Communications
- * Nonprofit Sector Overview
- * Organizational Dynamics and Design
- * Philanthropy
- * Professional Development
- * Resource Development
- * Social Entrepreneurship
- * Strategic Planning
- * Volunteerism

Customer Reviews

"This is a lot of book: six hundred and fifty-eight pages containing massive amounts of valuable information." (Charity Channel, October 25, 2003)

A comprehensive, easy-to-use guide to the multitude of resources available to a rapidly growing sector of the business community: nonprofit organizations. This invaluable resource offers nonprofit executives and managers information that will assist them with both day-to-day nonprofit operations and long-term nonprofit organization viability. Beginning with an overview of the nonprofit sector, the book goes on to offer over 2,000 entries on nonprofit-oriented products, services, and resources in fourteen key areas: financial management, governance, human resources management, information technology, international third sector, leadership, legal issues, management, marketing and communications, organizational dynamics and design, planning, professional development, resource development, and volunteerism. --This text refers to an out of print or unavailable edition of this title.

he love it, OK, there is do not have any problem. awesome and very well. I received this product on time and in very safe packaging. Cutting a watermelon was the first opportunity to use it.It sliced through the whole melon easier than any product I've owned before. Can't beat that. I'm happy. fine.

The need to tediously plow through back issues of various industry magazines, request information from trade associations, search the library and/or bookstore, or call (expensive) consultants and professional advisers is now obsolete. Every Nonprofit manager now has an easier way to find listings of management resources. This book is the only book out there which provides instant answers to all questions concerning nonprofit-oriented product and service providers, Internet sites, funding sources, publications, associations support and advocacy groups, and much more. And the best part is that it comes with a CD-Rom packed with even more information.
