Customer Reviews

Had to use this book for a class, I rented it for a great price. I wish I would have bought it instead so I could keep it for my medical job just to use as a reference. Great book, lots to learn in it.

Have really loved this textbook for the past 3 months... until I got to Chapter 17 to find that four pages have been ripped out from the end of the chapter. I know this book is used but that should be something to look for before sending it out to more students. I will only be able to learn 3/4 of the content for my test.

As discribed. Using the book for my Paramedic class.

CLEAR, CONCISE, COMPLETE!!!!...A WELL-ORGANIZED INTRODUCTION INTO "ESSENTIAL MEDICAL TERMINOLOGY."

Good book. Very informative. I would recommend this book for other health students. The pages are colorful and thick too.

Mailed on time and perfect for what I need.

saved money!

Arrived just as stated and earlier than expected!
