It's A Miracle! (Jessica Christ Book 3)

Synopsis

It would take a miracle for Jessica to live a normal life. Miracles happen when you least expect them. And if you're Jessica McCloud, God's only begotten daughter, they happen when you least want them. Is an uneventful senior year of high school too much for Jessica to hope for? Yes. Yes it is. Instead of focusing on college applications, Jessica must juggle Jimmy's newest scheme, Eugene's latest slander, and a gruesome (unpaid) internship at Midland Memorial Hospital. And just when she's starting to get the hang of it, a serious PR blunder ignites a firestorm of brand new accusations. It would take nothing short of a miracle for Jessica to come out on top this round, and she isn't holding her breath! [The third book in the Jessica Christ series, It's A Miracle! steps up the dark humor in a way that will cause you to rapidly alternate between laughter and groaning like a deranged maniac. Jessica McCloud is back, working her way through high school and growing reluctantly into her role

as God's daughter and discovering her miracles. Her mom and Coach Roy are still "helping." She has a good thing going with boyfriend Chris, and best friend Miranda is hanging in. On the other side, the Wurst clan is still causing trouble, and Jimmy is back in a big way. This entry in the Jessica Christ series is as fun and funny as ever. Jess continues to struggle with both her humanity and her divinity, but in the best way. This was my favorite book of the series so far. Can't wait to see what happens next.

Poor Jessica! You'd think being the daughter of God would have some perks. But things seem to go from bad to worse, with the media, White Light Church, and school. Of course, this new miracle seems more serious than the first one but ends up with hilarious results nonetheless! I loved this third book as much as the first two and I am anxiously awaiting the fourth one! If you like laugh out loud fun, ridiculous situations involving the bed of a pickup truck and forgiveness, and you want to find out what happens to Jessica her senior year, you are going to want to pick this book up right away.

Very entertaining and a little addicting! I read the first one, not planning to read any others. Couldn't stop thinking about reading the next. After the second in the series I decided I was done. But it kept gnawing at me; I ended up buying the third and enjoying it just as much. The characters are so likable and you can't help but root for Jessica at every turn. Bravo to the author!!

A great story and a good number of dog-startling laugh out louds. This is perhaps my favorite of the three (So far).

After hearing about these books, I pulled them up on a short flight from Dallas to El Paso for some distraction. I couldn't put them down and read 1 through 3 in a single afternoon. These are some of the greatest books I have read recently. I highly recommend them and cannot wait to continue following Jessica through college!

I am hooked on the series!

I laughed so hard while I thought, poor Jessica! But H. Claire Taylor hits upon the right balance of dark humor with a sliver of hope. Jess contemplates death, sex, and social media--all while trying to be normal teenager--the perfect recipe for suffering (for Jess) and laughing (for you).

Fun read.
