Customer Reviews

This book is small enough to keep in a shirt pocket or backpack. Its one small booklet with a nice cover. Within is an intro. and prayer of the author, Khurram Murad, a prayer of a humble nature. The books subject, Muhammad's gifts to everyone, past, present and future, is a tremendous subject. As you read the contents, you realize how little you know about the extent of Muhammad and how his examples of love and charity can edify anyone and bring people insight as to why Muhammad is a prophet. For a small book in size, the value is much greater than many large volumes of books in libraries that require books like this to enrich their collection. The quotations within are part of the hadith, the words and advice, and examples Muhammad revealed as he lived among the people who met him and saw his conduct. I believe this small book can do wonders to dispel

misconceptions about Islam and Muhammad also known as the prophet. May peace be upon him.
And peace to everyone.

This is a great book to read for anyone interested in understanding the profound humanity of Islam and his prophet BPUH.

Great book
