Customer Reviews

A homebody who loves to travel, and a playful spirit who loves to work, Jenean Morrison lives in Memphis, Tennessee. She is a painter and designer. Her designs have been licensed by folks like Free Spirit Fabrics, Gelaskins, Sigg, and Murals Your Way. Her paintings can be found in private and public collections, as well as Las Vegas casinos and resorts including the Mirage, the Bellagio and the Aria.

It's so pretty I love it! It's got a glossy cover, and I LOVE the format of the pages, There is a small window that you can use to draw graphs or write stuff in, Also some writing space below! I can't wait to use this journal, I plan to use it to keep track of my business ideas!

I've been looking for something like this to use as a journal for my daughter for school - she loves to have an art design accompanying her entries. This paper is thick and the journal is cute.

I love this journal. It is user friendly and I like the blank box in the top of the page for bible verses or thoughts to jot down. Very pretty!

For my daughter-loved it! I bought for me, but she took it...but I am thrilled to see what she does with it. Now have to order a new one for me.

Its Ok. Is beautiful and has a space for notes. But no is hardcover. I wanted a hardcover journal.
