Blood To Dust

Synopsis

"Bonnie and Clyde meets Kill Bill." - Jenna, Goodreads
His name is Beat, and I should hate him. Bound, blindfolded and bruised, I'm tied in his basement, waiting for the men who stripped me from clothes and humanity to collect his debt to them. Me. His name is Nate and I should hate him, but I don't. I'm not supposed to know his real name, even worse, I'm not supposed to care. He is nothing to me but means to an end. The plan is simple: break free, collect the pieces of my broken soul, kill the bastards and run away. His name is Nathaniel Thomas Vela, and I've never seen his face, though I hear that it's beautiful. Behind the rugged and handsome exterior, there's a quiet murderer, a killer who thinks guns are for pussies and ends people with his bare hands. His name doesn't matter, neither does his face, but what does matter is my heart. And right now, sadly, it's his. *Blood to Dust* is a standalone, full-length novel. It contains graphic violence and adult situations some may find offensive. It is an international bestseller.

**** 4 Cranky Stars **** L.J. Shen is one of my go-to authors when I want something fast paced and

action filled. Do I have to suspend disbelief? Yes, but that's what makes it fun. Prescott: damaged and out for revenge. Beat: nothing in life has been easy, including his latest assignment - holding Prescott hostage. Somewhere in the dank and dark, they find each other. Two lost souls who might not be perfect, but at least they're fair. Shen has a particular gift at creating characters who do horrible things, but essentially, have enough good in them for you to cheer for. Her bad characters are loathsome creatures and I sped through this book hoping that justice not necessarily be swift, but takes place. There are a couple of issues that bugged me. The repetitive aspects about beauty and weather metaphors. I got it the first couple of times and afterward, they became over done. Her finding his POV in a diary, which read more like a flashback than actual diary entries. In saying that, I like Shen's quirky humor and off-beat takes in her work. I'll be waiting to read the next one she produces.

When your life is simply an existence, how do you find the strength to live? Both Prescott and Nate exist from day to day. Prescott was one of the rich elite in her former life and now deals drugs. Nate is a convict desperately trying to live his life above the law. When these two come together their lives become explosive.

I find it always hard to write a review that does justice to the book. It was nothing like I expected! And there for I'm glad, it was al so surprising and sogreat! Sometimes it took a while before we got to know important stuff, but that wasokay too because if you know everything from the start it's not fun anymore. There was a bit of sexual tension but the tension was quickly set to action! And it was hot and steamy! There was lot's of action and dark stuff! That keeps your head on watch and don't let you relax. But that's a good thing because it means your in the book. I would recommend this one! It was nothing like I expected it was lot's more! Thank you author for this amazing book!

Prescott is a badass!! Nate is a bookboyfriend that you can really can't get enough of. Put them together and you get an explosive story that you can't put down. So much trauma between the too. Really a exciting book.

SIX STARSÃçÂ- Â•ÃçÂ- Â•ÃçÂ- Â•ÃçÂ- Â•ÃçÂ- Â•ÃçÂ- Â•Blood to Dust is my first SIX STAR read of 2016! L.J Shen killed it when she weaved Nate and Prescott's world! The violence! Oh the violence! L.J Shen is an author that can write a tale about the most brutal actions human beings can do to each other and still come across as realistic! The pain both our hero and heroine go through in there

Tell me something beautiful, his lips speak into mine. This time, I don't have to search my brain for an answer. No words written by someone else can do us justice.

Us, I rasp. We're beautiful and ugly and broken. . .and whole. I was left speechless You were tapping me into the journey of an incredible story of two people who will do anything to survive. I liked the cleverness and sentences that made me smile. So tell me something beautiful..... L.J. Shen.
