Killjoy (Buchanan / Renard / MacKenna Book 3)

Synopsis

When it comes to gripping novels of unrelenting suspense, Julie Garwood is in a class by herself. In the course of her career, she has mastered the art of creating characters who live and breathe in compelling, page-burning stories that never fail to surprise. As her legion of fans can attest, she strikes the perfect balance between excitement and insight, action and heart. Now, in this breathless new novel, Garwood has written her most electrifying thriller to date. **KILLJOY** Avery Delaney has always tried to put the past far behind her. Abandoned by her rapacious, conniving mother when she was only three days old, Avery was raised by her grandmother and beloved aunt Carolyn. Then, when she was eleven, she witnessed her grandmother's violent death, before Avery herself was shot and left for dead. Miraculously she survived. The man responsible is serving time in a Florida prison. This traumatic experience propels Avery into a life of law and order. Her razor-sharp mind and ability to gather data and decipher evidence has made Avery an expert crime analyst for the FBI. But soon she will have to use every one of her adroit skills on a case that hits painfully close to home. Avery's workaholic aunt, Carolyn Salvetti, is certain her (hopefully soon-to-be ex) husband sent her the gold embossed reservation to the posh Utopia Spa in the mountains of Colorado. At first she is resistant, but then figures it will be a welcome respite from the cutthroat advertising business, not to mention a networking extravaganza. Plus she persuades her niece to join her for the two weeks of luxury and decadence. But Carolyn never makes it to Utopia. Under false pretenses, she is taken to an isolated retreat by a handsome stranger with a dazzling smile, suave demeanor, and the darkest of motives. His name is Monk, a hired assassin. Now, with scant clues and fewer resources, Avery must track down and save Carolyn and outmaneuver a brilliant killer who is part of an elaborate plot of madness and lethal vengeance.

Customer Reviews

I have read all of Julie Garwoods books and this was no exception. Once I start reading I don't want to quit until the book is finished. This is the second time I have read this book when it first came out and again today. The first was a paperback for \$2.50. I purchased again on my Kindle for \$7.99. Well worth the extra on my Kindle. Thanks for your Kindle books.

All I have to do is see that Julie Garwood wrote a new book and I can't wait to read it. She is one of my favorite authors. I love her wit and style of humor. She makes me laugh out loud, which can sometimes be embarrassing in a waiting room. Killjoy reminded me that not all children had the wonderful childhood that I had. If you like surprises, Julie Garwood is the author to read. Her stories are well woven and hard to put down.

Every time Garwood writes about a character so good that you think this character is alive and whistling Dixie.. That's the case with John Paul Renard, Avery and Monk. Read for yourself. Question. How about a book on Remy Renard? You see? Garwood leaves you wanting for more.

Number three in this series was the best yet. Can't wait to start number four. They just keep getting better.

Fast paced well crafted story. I've owned this book for a long time and had to rebuy it because the pages were falling out.

Interesting book throughout. Highly recommend it.
