Synopsis

Buy now for \$39.99 (The price will soon return to \$49.99)Choosing the perfect dog can be confusing, especially for first-time owners...It's easy to fall in love with a breed and rush into buying a gorgeous Border Collie or an intimidating Doberman Pinscher, but this is a mistake! Buying a dog should be a long, careful process â “ a new dog is, after all, a new family member andÂ Every dog deserves more than a loving home - they deserve the right loving home!There are a number of things that potential dog owners need to consider before making the leap. Does the dog breed you've fallen in love with fit in with your lifestyle? If you work eight hours a day, can the dog be left on its own in your home, or will it become stressed and destructive? If you have other pets, will the dog get along with them? Is the dog child-friendly, or will it quickly lose patience?It works both ways; a new dog must fit in with their owner's lifestyle, but new owners also need to have the skills and patience necessary to provide adequate care for their new canine companion. Prospective dog owners should ask themselves,Â Do I have the time to give this breed all the exercise it needs? Do I have the energy to keep up with them? Am I willing to buy it a doggie jacket when the weather gets chilly? Do I want a mellow lap dog or an excitable adventuring buddy?This book will analyze fifty unique dog breeds in terms of their protection ability, trainability, playfulness, exercise needs and adaptability. Furthermore, It will analyse 50 typical dog behaviours and explain what they mean and how to address them (if they happen to be bad habits). If you're a prospective dog owner or even just an enthusiast, you need this book!How will this book help me?Whether you own a pet dog or you're planning to buy or adoptÂ one, this book will assist you immensely.Â In this book, with overÂ 100 High ResolutionÂ Pictures,Â you will:Learn about eachÂ dog breed's history and originLearn about each dog breed's size category - small dog breeds, Medium dog breeds and Large dogÂ breedsÂ Learn about each dog breed's family: companion dogs, working dogs, herding dogs etc.Learn about each dog breed'sÂ strengths and weaknesses and how well they responds to different kinds of dog trainingLearn about the dog breed that can live with kids, serve as a service dog, serve as a guard dog etcLearn about the dog breeds that can live in temperate/tropical regions and those that require ample living spaceLearn about each dog breed's pedigree andÂ relativeÂ abilityÂ across 5 areas namely: Ease of Training, Playfulness, Adaptability,Â Exercise Needs and Protection AbilityLearn about 50 typical dog behaviours, what they mean and ways to address them.So before you make the decision to bring home a new best friend, get a copy of this book. This book contains strategies, tips, and techniques on the most proficient method to train a dog. The author incorporates obliged ventures to enable us to train our dogs and construct a decent relationship and comprehend between the dog and the proprietor. I have enjoyed reading this book very much and I would like to recommend this book.

I read this book before I brought my puppy home. This book simply does match up with my specific desires. Easy to know, straightforward to implement. We're still stepping into the more durable dog tricks. Except for those we've got my puppiesÃ¢ÂÂ square measure completely obtaining it.

Excellent product. Our dog used to dart out the door when anyone came but now he won't go out of the garage or off the front porch. Thank you. This is excellent for people with new puppies. There are some parts that help for people with older dogs. Worth reading

We had never owned a dog before and there were several dogs we might have chosen on impulse. This book really helped us decide on the correct dog for our lifestyle and level of experience. Having said that, it almost put us off altogether! There probably isn't a perfect dog for the inexperienced but it certainly saved us from making a really bad choice.

Very informative and really helped me with my dog. Wonderful practical advice and sanity-saving encouragement--I would recommend this book to anyone with a dog in their life. Great read! Wuf!

This is excellent for people with new puppies. Excellent instructions on how to compassionately train your dog, especially as to how previous instructions build on each other for better control over your dog. Author provides clear background and foundation for this method and is encouraging.

I really loved this book! It gave me new tips and ideas on being a good dog owner. This book has lots of dog details, tips and training. Great book!

OK book for dog breeds but doesn't give enough differentiation pictures between breeds.
