Vampire's Kiss (Legion Of Angels Book 1)

Synopsis

Once you sip the Nectar of the gods, there's no going back. Leda Pierce is working as a paranormal bounty hunter on the Frontier, the dividing line between human civilization and the plains of monsters. Life is simple and the pay modest, but at least she has her family. That is, until a vampire hunt goes wrong and her brother goes missing, captured by the dark angels of hell. With no magical powers of her own and no way to find him, Leda's only option is to go to New York and join the Legion of Angels, an elite unit of supernatural soldiers with powers gifted to them by the gods themselves. If she can survive long enough to make it up the ranks, she will gain the magic she needs to find her brother. But Leda soon finds herself on the wrong side of a conspiracy that will shake up the supernatural world and at the mercy of a fiercely powerful and tempting angel. Vampire's Kiss is the first book in the Legion of Angels series. The Legion of Angels series Vampire's Kiss Witch's Cauldron Siren's Song Dragon's Storm Book 5 coming soon

Customer Reviews

New world, yet not. God's, demons, angels, monsters and human kind just struggling to survive the

opposing forces. I look forward to next book.

I loved the book it was funny and intense. I like how the story built up to the end. I can't wait for the next book.

I loved this book! The characters and the world and the story behind it was awesome! Plus, who doesn't love sexy angels? I can't wait for the next one!

This is a great read! Once you get comfy and settle down to read, you won't want to stop! Great action with an awesome heroine and a little romance!!

I really enjoyed the genre, the premise, and the characters in this book, however the writing style is REALLY choppy. That being said, I have stuck with the series and by book 3 the writing is MUCH improved. I think of this book as popcorn for your brain, since my intellect has to be set aside because of some of the plot holes. But I have enjoyed the characters and the genre of the book very much.

Strong woman character and is funny. I highly recommend it.

Fantastic start to a new series! I absolutely adore angel paranormal fantasy romance (everybody got all that?). Nero and Leda are as hot as they come and I can't wait to see what future books have in store for them!

Leda is a great character, with depth, but the simple desire to keep people safe. The relationship with Nero is interesting and shows some serious self control. Love it.
