Best Sellers Rank: #5,761,638 in Books (See Top 100 in Books) #86 in Books > Sports & Outdoors > Individual Sports > Horses > Polo

## Customer Reviews

A riveting tale of polo's first 100 years in America told against the backdrop of the social and political events of these same 100 years, from Little Big Horn to the prohibition and WWII. It makes the story come alive as it relates events in history known to all. Many authentic photographs and eyewitness accounts are included, going to polo's very beginning in 1876. Even President Theodore Roosevelt and General Patton played polo and the story of the horses and army polo are equally fascinating. Have not seen any other history of American polo in print.

snobish, deceptive,arrogant,low charaxcter, poorly written, self published?bigotedself  
agrandisement of authoris not worth the paper its written on
