This text is power-packed full of great food for the spirit! It is clear that Qiyamah Abdallah Salihu sufi has a Love for All. This book is a clear example of what the prophet Muhammad said, "God cannot fit into the heavens or the earth, but God fits into the hearts of His believers." If it is a reminder of who you are that you seek or a valuable marker of Love that can be assembled in such a small and powerful way, purchase a copy of this Gem.

A lot of wisdom compressed into a small package definitely a handy manual for anyone on the journey to self.

This book made it clear for me that i can NO longer have any negative thoughts. The way he explained the power of the mind is exceptional. A must read for any seeker of the science of the mind and the power of attraction!!!
