Unforgettable Love: A Christian Romance Novel (Inspiration Point Series Book 2)

Synopsis

Unforgettable Love is Book #2 of 2 Christian Romance books and the conclusion to the Inspiration Point Story. This book continues the story of Julie Petersen's struggle to escape from a controlling mother and the clutches of a rich controlling fiancé who won't stop at anything to make her his wife. This story highlights Julie's miraculous escape from her fiancé, her rescue by the Berry sisters, her struggle with amnesia, and her struggle to find Mark, the man she loves.*This book is the conclusion to the Inspiration Point Story. If you have not read the FREE Preview of Book #1 Free to Love, please be sure to download it first.*In this second book, the Berry sisters find Julie Petersen washed ashore on the beaches of Catalina Island and discover she suffers from amnesia. The sisters welcome Julie into their home where their brother Aaron falls in love with Julie and tries to win her heart. But Julie doesn't love Aaron the same way and she struggles to remember her past and the people most important to her, including Mark. Julie eventually returns home and James is determined to marry her in a matter of weeks, before Julie remembers their troubled past. Julie battles feelings of doubt and confusion as the wedding date approaches. When Mark discovers Julie is missing, he sets out to find her, knowing her fiancé is up to no good. He finally meets up with James, who puts on a convincing performance of a caring fiancé. James causes Mark to question Julie's heart and her intentions, especially after James tell him Julie is involved with Aaron. Will Mark find out the real truth about James and reach Julie in time to share his real feelings? Or will he return home with a broken heart and miss out on the love of his life? Other titles in the Inspiration Point Series by Kelsey MacBride-Free to Love: Inspiration Point Series #1 Don't miss out on this inspirational love story of faith and romance.

Customer Reviews

Well, I won't buy anymore of Kelsey MacBride's books. The story was good but the ending made me very mad since the abusive guy was forgiven. Her forgiving him was right but he needed to pay for the men dying on his boat. He also needed to have his history made public so other girls wouldn't get caught in an abusive relationship. I was disappointed that the first book ended like it did too, having to buy the second to find out the rest of the story. I've never had this happen to me in ANY book I've bought. They both ended in a bad way.

It started out a good book then at the end it stopped. It left me with wondering if that was all or is there more in another book. I don't like books that just ends and leaves me wondering . I will probably not read anymore of her books if that is how they all end

SPOILER ALERT What kind ending is that?? Ok, great she gets the guy but um..what about a) reconciling with her mother, b) how about justice for uhh idk, killing a boat full of men?? & c) justice for the American Psycho?? You are left feeling like there certainly must be a book #3 with so many unresolved issues... too bad, I was enjoying it up until then.

I liked the story. I was tied in well enough to the "free" preview that (as expected), I purchased the second "book" which was actually just the last half of the story. I truly did enjoy the book, but would have preferred had the author told me this was a free excerpt from the book rather than a free book. A better idea would be to sell the complete story for a discounted rate, perhaps \$1.99. You are a good writer, and needn't trick your audience into buying your writing.

In my 57 years I have only had to force myself to finish 3 books this was one of them. You get the

first book free then just to finish the story you have to buy the second one. Two guys fall hopelessly in love with one girl and both times in just one day. Save your money don't buy the second one.

Oh yes, you can't forget Julie, poor little rich girl. As sad as it is, it's true. The young woman has every thing a human could crave in riches, right down to the inhuman, cruel fiancé James, equally RICH. Julie has something that neither James, nor even her parents have, she has the love of Christ in her heart. And that same Savior is guiding her step by step to feel safe enough to turn her back on all of it, to live her life for herself, fed by the blood shed on a cross for. Her. The above may sound short & trite, but you have to read Ms MacBrides words, with all the things not told here.. "The love of money is the root of all evil." Read & enjoy..

This is my first experience reading this author liked it and will read more books by this author. it's nice to read good books without all the cursing, violence, and sex. It is still well written, good plot, and kept my attention.

I just finished the two books and wonder why the need for two books and not just one. The story was really good but what an abrupt ending. Kind of disappointed how quickly it ended.
