Warhammer Armies: High Elves is one of a series of supplements for Warhammer. each book describes in detail an army, its history and its heroes.

Good book, and great art, wether wanting to play the game or simply read about the elf's history in the Warhammer world, you should most definitely read:)

It arrived quickly and was as described.

Great help for all you fellow High Elf Players, shows special High Elf Rules, Some Painting examples, etc. However, this product is pretty outdated and GamesWorkshop will be releasing new High Elf Units and a New Army book sometime soon. (Said to be sometime around March-May). If you want to use this right away, then by all means buy it but It will soon be replaced.

This is the army codex High Elves to use with warhammer fantasy. Its well written and lots of pictures to give you ideas on how to paint your own army. Retails for \$30 from Games Workshop online or any comic-games store.
