# Stolen: A Cassidy & Spenser Thriller (Cassidy & Spenser Thrillers)

## Synopsis

A USA Today Bestseller "If you like Lisa Jackson and Karen Rose, Carey Baldwin is right up your dark, twisty alley." ~New York Times Bestselling Author, Wendy Corsi Staub  
Is she missing...or a murderer? When Laura Chaucer, daughter of a U.S. senator, vanishes from her college campus, celebrated FBI profilers Special Agent Atticus Spenser and forensic psychiatrist Dr. Caitlin Cassidy are called in. Thirteen years ago, Laura and her nanny disappeared from her family's Denver home. Laura was found alive, but her nanny wasn't so lucky... and the killer was never caught. Laura could identify him--if only she didn't have a deep, dark hole in her memory. Now she's missing again. Did the troubled young woman run away or has the kidnapper returned? As women who look eerily similar to Laura's nanny begin turning up dead, the Chaucer family psychiatrist renders a disturbing opinion: Laura is unstable, a danger to herself and others. Who knows what terrible secrets lurk in the shadowy recesses of her mind? Cassidy and Spenser must solve one of the most infamous cold cases ever to uncover the answer: Is Laura a killer, or is a monster still out there, waiting to claim another victim? What do readers like you say about *Stolen*? *Stolen* will definitely be on my Top Ten Reads of 2017! Cheryl, C Mash Reads, reviewer Chilling, surprising, riveting. Excuse me while I go read it again!! Yes it's that good. ReviewerSaweeet geebus! I was bamboozled! Another awesome installment in the series, and the ending...epic. Maureen, Goodreads reviewerNeed more stars!! Auntie Sherri, Goodreads reviewerThis engrossing thriller was unlike any I've ever read. There were surprises galore, some that were so unanticipated they made me jump in my seat. Michelle, Goodreads reviewer

## Customer Reviews

Top notch romantic suspense! Keeps you guessing big time and reading way past bedtime! Fast-paced, solid plot, well-drawn characters (even the hateful ones!), and great writing, too! Highly recommend! As for me, I'll be reading the rest of this series a.s.a.p! In this one, the Caity & Spence are already together (not that they don't have some relationship growing pains), but I'm looking forward to seeing them get together in earlier books.

A very good book. Kept me reading to the end. The only thing that spoiled the book for me was when I read another persons review before reading it, was that they knew ----- did it. Which told everyone that read the review who the perp was. In all, even though they gave the ending away, the book was suspenseful and very well written. AND good.

Stolen is a Cassidy & Spenser Thriller. Cassidy, a psychiatrist, and Spenser, an FBI Special Agent, are looking for a missing girl. This is a very tangled mystery which kept my interest. There is lots of blood and gore and a surprise ending. Some of it seemed far fetched, but this is fiction! I do recommend it.

This book has readers mesmerized within minutes. The spell continues as the story unfolds. One cannot help but fall in love with the well developed characters, Cassidy and Spencer!

Read them all in order. I have really enjoyed getting to know these characters and this author. Will be looking for more of her work in the future.

You keep thinking all thru the chapters you know who really is the guilty party. Then next a new story and character is introduced, and it all changes. Very, very good..

Enjoyed the plot twists and turns. The interactions between characters were great. Couldn't put the

book down. Can't wait to read the next one.

I have discovered a new author. This was so good. I love to try to figure out who the villain is and this one had me guessing and with a twist too! Well done.
