Messenger of Allah, Leader, Teacher and Guide to the Lost-Found Nation of Islam. Born Oct. 7, 1877, in Sandersville, GA.

This is the real deal. After listening to other Asiatic scholars and their research, they've taken me back to this book and others by Elijah Muhammad. Seems like he was telling the truth.

Must have so you can put to death the lies they told about Jesus

Very enlightening, an honest, down to earth easy read.

Excellent!!!!

A must read to know the truth about Jesus!

Most people may not believe the account of Jesus that was taught to the Honorable Elijah Muhammad, however since the account of Jesus in the Bible has been known to be false for years; this is the only reasonable explanation that covers all misconceptions on the story. No one but Allah knows the true history of Jesus, and this one version of the story works for me since I know how the Roman Catholics lie.

I like this book because it provides a different perspective of the biblical Mary, Joseph and Jesus. It also gives a detail account of how Jesus was killed which is absolutely different from what is called the Crucifixion. It explains that Mary and Jesus are aboriginal Egyptians from the Shabazz Tribe.

The reviewer that claimed the Bible has been corrupted by authorities for political/etc., gain- he has no proof of motivation, only speculation, specious arguments perhaps by others. We can know some things about Jesus outside of the Bible (or the later Koran's claims). Get "Jesus Outside of the New Testament" by Van Voorst (Eerdmans), and secondarily, "Studying the Historical Jesus" by Darrell L. Brock (Baker Academic). The Nation of Islam/NOI can be shown to be false by non-religious, Christians, and those of the actual Islamic faith. The NOI's story of 'Yacub' & the 'Whites', the background of the leaders, and much more, as well as the racial division that this fringe Nation of Islam/NOI fosters adds up to intellectual, spiritual, and racial poison, and Islam rightly rejects the NOI's claim to being Islam. It does not do any better on Jesus, as this book by the NOI leader, Elijah Muhammad. A great resource to really know what the Nation of Islam taught on Yacub, etc, the NOI founders/leaders, history, and more, is: "The Nation of Islam: Understanding the 'Black Muslims'" by Steven Tsoukalas ISBN-13: 978-0875524740 You can buy it new or used right here on . People can get drawn in by reading a book of eating or diet, but the Nation of Islam/NOI theology reminds me of the strange & science fiction theology of Scientology (for more info on Scientology, see [...] or .net, and [...]) It breeds Black Supremacy and Black racism. Racism isn't overcome by adding strange religious racism & Black Supremacy. The NOI is definitely NOT the same as Islam. It is a fringe group that speaks Islamic language, terms, etc., but is far from the true Islamic religion.
