Hard Rock (A Hardboiled Private Investigator Mystery Series): John Rockne Mysteries 2

Synopsis

SOME SECRETS REFUSE TO STAY BURIED. Private Investigator John Rockne is determined to find out who is responsible for the brutal murder of a young man in Grosse Pointe. A contract killer known only as The Spook wants to keep the truth buried forever. Rockne quickly uncovers a series of dark secrets with ties to his own tortured past. HARD ROCK is a thrilling conclusion to the bestselling crime novel DEAD WOOD. "Ames is a sensation among readers who love fast-paced thrillers." -MysteryTribune "Fast-paced, original, engaging." -New York Times bestselling author Thomas Perry

Customer Reviews

Quick read that keeps you turning pages. Nice to see a detective in fiction who is not the stereotypical functional alcoholic but a family man. I usually read biographies . This was a nice break. Ordered two more. Don't look for War and Peace. It's a beach read.

I'm from Detroit so that makes it easy to like. The story held my attention which is not easy for fiction to do. It's an easy read I would recommend it. The characters could use a little more development

but they were OK

You will wonder why the young man was killed in book 1 , this answers that question. And you will learn why a young patrolman life was ruined, and you will thank me for telling you to read it.

Some things in this story didn't seem to match the first one.. the two that came to mind are:1.) Wasn't the Taurus totaled in the first book?2.) I didn't catch onto the fact that his fiancée from the first book wasn't Anna but was Elizabeth.. I thought that Anna WAS the fiancée.. I was unaware that they had broken up and that Anna was new.Maybe I just misunderstood these things?Overall: love the series. Pretty entertaining

This book has all the elements of a great book but it never approaches that level. The author cut every corner, never once following through on a single premise always managing to use few words when just a few more would have been better.

Good storyline. The book was rather short but it was interesting and kept you involved. Would like to read more by this author

Not the best book I've ever read, but good for light entertainment on a lazy afternoon. It kept me interested to the end.

A very entertaining story about a private detective on the search for a serial killer. This book is very easy to read. The book is well worth your time and money.
