Wanderlust In Gay Asia: Exotic Encounters And Erotic Escapades

Synopsis

Celebrated gay blogger Hans Fritschi has traveled extensively around Asia and his site is one of the leading online gay guides. In this ground-breaking book, he shares with readers his experiences of gay life in Asia. Through the eyes of his flamboyant heroine Suzy Size who is based in Thailand, Hans describes the exotic encounters and erotic escapades of a modern gay traveler in Asia. Suzy Size chases after money boys and is âœ herself • chased by sex hungry young men who go after older Western men. Or is it just their money? Suzy has many strange, absurd and hilarious encounters all over Asia. While not a gay guide, *Wanderlust* makes a good and entertaining read, covering everything from pubs and nightlife to getting âœ picked up •.

Swiss-born author Hans Fritschi studied German and English Literature at university and worked for seven years as a journalist with a Zurich daily. In 1991 he relocated to Thailand where he became a freelance journalist and editor. He was also co-owner of a small publishing house and founded several magazines, including Thailandâ™s first gay magazine. Since selling his business, he has travelled across Asia from his home outside Pattaya to explore the regionâ™s gay scene.

I enjoyed Suzy's wit and found her descriptions of the places visited amusing and useful. Not a typical guide book but interesting to gentlemen travelers of a certain age and inclination.
