The Associated Press Stylebook

Synopsis

More people write for the Associated Press than for any newspaper in the world, and writers have bought more copies of The AP Stylebook than of any other journalism reference. With this essential guide in hand, any writer can learn to communicate with the clarity and professionalism for which the Associated Press is famous. Fully revised and updated, this edition contains over 5,000 A to Z entries--including more than 50 new ones--laying out the AP's rules on grammar, spelling, punctuation, capitalization, abbreviation, and word and numeral usage. Comprehensive and easy to use, The AP Stylebook provides the facts and references necessary to write accurately about the world today: correct names of countries and organizations, Internet language and search techniques, language to avoid, common trademarks, and the unique guidelines for business and sports reporting. The final word on media law, The AP Stylebook also includes an invaluable section dedicated to crucial advice on how writers can guard against libel and copyright infringement. The veritable "journalist's bible," this is the one reference that working writers cannot afford to be without. With more than 50 new entries plus updates of more than 100 others, The AP Stylebook includes such features as: An A to Z listing of guides to capitalization, abbreviation, spelling, numerals, and usage* Internet guidelines* Sports guidelines and style* Business guidelines and style* A guide to punctuation* Supreme Court decisions regarding libel law* Summary of First Amendment rules* The right of privacy* Copyright guidelines* Proofreaders' marks

Customer Reviews

"The Bible of the newspaper industry." -- American Bookseller

The Associated Press (www.ap.org) is a not-for-profit news cooperative, providing coverage of news, sports, business, weather, entertainment, politics, and technology in text, audio, video, graphics, and photos to 15,000 news outlets worldwide. Distributed by satellite and the Internet to more than 120 nations, AP services daily reach more than one billion people. With headquarters in New York City, the AP has 241 bureaus worldwide and more than 3,500 employees.

Writers need a copy of this book because there's no way to memorize all the rules (e.g. Most state names can be abbreviated but not all; you cannot use post office abbreviation; must use Calif., not CA). I always forget the rules for numbers (when to use the symbols and when to write them out) and when to use a colon and when to use a dash. If you're a professional writer, you need this book!

I haven't gotten into a lot of this book, but I know that it's what I need.

Great Price for this book. I'm glad I got it on ! College textbooks can be so expensive.

I bought this for one of my book editors at work. He liked it and referenced it often. He says he still uses it even though he's moved on from book publishing and is in marketing now. He says it contains useful information and the book itself has held up to repeated use over the years.

This was quite helpful while taking a journalism course. It takes a few minutes to understand the layout of the book to look up things, but once you get it, it's easy. I think this book helped raise me a letter grade in my course. Anyone taking a journalism course with a strict professor or planning on entering journalism should get a copy. My textbook had a reference in it, but it was quite small. With the low cost of this book, you can't go wrong. If you're taking the course without an intent to go into journalism, check to see if you can use copies from the department first.

I rated this five stars because I can't imagine a serious writer failing to keep it on his shelf and referring to it frequently, now that I have it. So many of the websites I write for use the AP Stylebook for editing that I, for one, cannot afford to be without it. It came in good shape and timely manner but I doubt it will remain that way. I will wear out its pages checking up on myself.

Great purchase. Arrived in great condition and is just what I hoped it would be. Would recommend

this shipper and product to everyone.

Purchased as a gift. Still the best resource on grammar, etc. for the REAL world.
