Customer Reviews

I enjoy buying good quality journals to give as gifts for my friends and family. This one closes with an elastic strap. It is lined and very pretty. I think I will buy one for myself! I will definitely buy from this seller again!!

I just like Peter Pauper products. Paper quality good. Buying same shaped books great for organizing on bookshelves. I collect these and give it as gifts. Good for notes on same topics. Travel notes, cooking notes, study notes on a subject.

Very pretty journal..just as described. Love these pretty books for keeping notes and writing down things I don't want to forget. And I keep some on hand because they make such great gifts..Also

bought more calligraphy pens so I can use those and make my memories look nicer..These pens always kick up your writings..even if you are not an expert. I'm not. Your writing looks so neat..

Love this journal, just the right size for a magic moments journal and it bright, pretty, and just the right size.

Pretty. Great size for my purse. So far, no problems with binding or elastic band. Writing guide lines are faint enough to not bother you if you don't care about following them.

This made a wonderful gift for a girlfriend who had hip replacement surgery. Kept her busy while laid up. Very pretty and well made.

The design on the journal is very beautiful. There's a little bit of glitter that wasn't noticeable on the product pictures. They don't come off which is a bonus. Pages are heavy. Can use gel pens and felt tip pens without any bleeding through onto the other side. The smaller size is not too bulky. A lovely purchase.

Using as a diet record. Like that it has bungee closure.
