We live in a world where respect should be upheld regardless of race, religion, color or nationality. This book explains the basics of the Muslim religion. In order to increase understanding of our Muslim brothers and sisters, we need to know their beliefs, customs, traditions in order to achieve peace. This book is perfect because it simplifies the root of their beliefs, from concepts to their God Allah. This is especially helpful because it is a concise guide towards understanding of Muslim. This can come handy for everyone!

With all the tension surrounding islam and what it means and how it is conveyed, I really wanted to read a book that clears it all up. So that when I am talking with friends and family I can have an informed opinion. This book cleared up a lot of facts for me. Taking me through what Islam as a religion is, the culture surrounding it and the traditions that they adhere too. The section on the difference between Sunni and Shi'ite was great to read about. For anyone looking to learn more, I would give this a read.

This book will educate all those that seek a balanced and truthful view on Islam. The book is written to give an overview of the religion -the faith and the people. It also discusses holistic understanding of the religion. A very simple book that is able to give some depth and understanding into a complex people and religion. A must read for anyone seeking to know more about the Middle East, the people of it, and Islam.

Islam is one of the largest religions in the world, with over 1 billion followers. It is a monotheistic faith

based on revelations received by the Prophet Muhammad in 7th-century Saudi Arabia. The Arabic word Islam means *submission*, reflecting the faith's central tenet of submitting to the will of God. Followers of Islam are called Muslims. If you are interested in learn about Islam Religion, you would like this book. Author Luke has done a great job. Just give try to have a look at it, you can decide.

Well, all I know is Islam is the second largest religion in the world judging from the member of adherents and believers, follows many motifs, beliefs and rituals like any other religion. This book contained in discussion all about these. Overall, this is a great book that gives a primer on the islamic religion. Would recommend it to anyone that wants a good overview of the religion.

This book seeks to explain Islam Religion in a simple manner fit for getting a quick understanding of them. The book follows an objective, scientific and historical methods of examination.
