Customer Reviews

Several of my closest friends and I had the only two copies of the 1922 editions, when we played low goal polo at Will Rogers Polo Club in the Park Rogers left to the State, in Pacific Palisades Californiaback in the 1970's for a half dozen years. At that time polo was the only event on the field (before they later allowed in soccer, etc), and when we could board our horses in our own separate corrals, on Park property. It was terrific and a wonderful place for our kids to explore and to be involved with the horses. The book AS TO POLO was our secret weapon and playing together, we used several superb clues to playing well that are in this fabulous book of instructions. Now I see it's in a new edition.. That's great. Peter Fleming Peter Fleming Agency Pacific Palisades
