Arrived fairly quickly and was in the exact condition described by seller. I appreciate it when the seller accurately describes their item, both the good and the not so good. Thank you. I should have bought this when it first came out as I have some previous editions and appreciate them. I wanted the information and really did not care that the book was not in perfect condition.

Very useful for the novice, and great for a non-resident. Discovered an even better spot to bank fish from that was only 1/4 mile from where I'd been fishing for 6 months.

I bought this for my husband since we are considering retiring to Oregon. I can't tell you how much he loves this book. I don't think he has put it down since it arrived in mail. Truly a well put together book of all of the great fishing places in Oregon.

My son wanted this book -looked everywhere-He is so pleased-he loves exploring and finding those secrets spots to enjoy his favorite pastime.

Darn near tells you what rock to stand on and when to stand on it.My second copy. Great for fly or traditional gear fisherman.
