Customer Reviews

"I've yet to read more remarkable insights into the Jewish feasts and holidays." -- Jan Markell, Olive Tree Ministries
A fabulous resource...she respectfully maintains the Jewish tradition while including the Good News...user-friendly." -- Christian News Northwest, April 2004

"Martha Zimmerman connects us with our Jewish heritage and revives our participation in the same celebrative meals that Jesus ate and enjoyed. Thanks to her enthusiastic recovery of these old menus and their stories, meals may well come to take their place alongside sermons and Bible studies as ways to welcome Jesus into your life." --Eugene H. Peterson, The Message; Professor Emeritus of Spiritual Theology, Regent College
"This book is important reading for anyone who values the Old Testament as the Word of God. Martha Zimmerman writes with love, charm, and wit and shows you God's redemption and how the Almighty works in a way that Christians seldom see. You'll love God more and better appreciate His ways for reading Celebrating Biblical Feasts." --Moishe Rosen, Founder, Jews for Jesus

Very good read. So many great ideas for families to observe the feasts. Great for homeschool.

This book is great! We have had a great time celebrating the feasts of the Lord.

LOVE this book. Studying Creation to the Greeks (My Father's World) this year has been so enjoyable for my family. Greatly because of the beauty of celebrating the feasts our beloved Savior celebrated. Amazing dynamic added when these easily spelled out lessons are shared with the entire family.

I like the way I can learn what the Jewish people was doing and how they celebrated each feast in the Bible.

Great for beginners. I buy this for others who truly have an interest. What a blessing.

This is a great book on how to incorporate Sabbath, Passover, and other Jewish festivals into your Christian home. Easy to read, with a wealth of information from recipes to crafts to history, this book will help anyone easily bring the riches of old Testament traditions into their home.

Great--helps us understand the Feasts

Good summary of information. More and more churches are now celebrating Passover Seder, this will provide good preparation materials, and explanation all seven major feasts. These are God's feasts. These are His appointments for us to celebrate, not because we have to, but we should want to. You'll find the Messiah in these feasts! Some think they are Jewish feasts, some want them to be Christian, God says in scripture, "these are My feasts."
