Konosuba: God's Blessing On This Wonderful World!, Vol. 1 (light Novel): Oh! My Useless Goddess! (Konosuba (light Novel))

Synopsis

Game loving shut-in Kazuma Sato's life as a young schoolboy in Japan abruptly comes to an early end...or at least it was supposed to. When he opens his eyes, though, he sees a beautiful goddess that offers him a once in an after-lifetime chance to be reborn in a parallel world. The catch is that the world is violent and threatened by a growing evil! Fortunately, he can choose any one thing to bring with him. So he chooses the goddess, Aqua! And so his adventure with his gorgeous companion begins--if he could just get enough money and food to survive, keep his goddess out of trouble, and avoid grabbing the attention of the Demon King's army!

Customer Reviews

Natsume Akatsuki is the author of Konosuba: God's Blessing on This Wonderful World! Kurone Mishima is the artist behind The Devil Is a Part-Timer! High School!--the high school manga spin-off of the hit light novel series The Devil is a Part-Timer!

Cute story about a typical MMO nerd who winds up in a fantasy RPG world and has to cope with an even more dysfunctional party than in the games. Probably won't be fun if you don't play any fantasy games, or if you despise anime/manga tropes, otherwise it's a great quick read. I haven't seen the anime version but now I'll have to check it out.

This was really funny! I've seen the anime already, but wanted to read the light novel. Kazuma is

smart, but lazy and not chivalrous. He isn't exactly a great guy, and his comrades are so funny it's ridiculous. The situations are really funny.

Konosuba is great. Konosuba is the best. I hate comedies, I have a very specific sense of humor and I don't enjoy anything outside of it, so when I heard about konosuba I passed on it at first till I later decided to give it a shot. It was a life changer, the humor has great timing and nevers gets old and is actually funny.

This volume covers episodes 1-6 of the first season of the anime Konosuba. The writing is really well-edited, and Konosuba ranks among the most enjoyable light novels that I have read. Not only is the writing style hilarious, but also there is a lot more detail that's skipped over in the anime. It was a bit short, as most light novels are, so I was done reading in an instant, but Konosuba really is one of the best comedy series I have ever read!

These are a good series of books. Watch the anime, its even better-usually adaptations are worse, and buy these to support the author.

It honestly took me a few pages to really get settled into it, but once the writing style found its stride I found myself really enjoying the read! I'd watched the anime before picking up this volume, and so seeing the story in a different medium was interesting. At first it felt a little flat just because of the lack of the certain atmosphere and animation gags that the anime could pull off that couldn't be immediately set up in writing. However, with the first person narration from Kazuma's perspective he is able to drag you along with him for the ride after things get going. Any fan of the anime should definitely read the light novel. And anyone looking for another humorous take on the regular-guy-gets-dragged-into-a-fantasy-world trope should give this series a shot! It's honestly one of my favorite series in the genre.

The main character is a pathetic petty coward. He is just wonderful to read about. How he deals with situations and gets his revenge is a riot. I will buy every single volume I can so long as it stays the same quality.

A lot of fun
