Hutchy: Miracle Man

Synopsis

Ian Hutchinson - 'Hutchy' to his many thousands of fans - is a motorcycle racer like few others. A road racer to the core, he has enjoyed spectacular success at the Isle of Man TT, the North West 200 and the Ulster Grand Prix, but his own story goes far beyond even those triumphs. In the summer of 2010, Hutchy set the record for most wins in a single Isle of Man TT festival - five in all - having already won the Supersport class at the North West 200 in Northern Ireland. Then disaster struck. At a British Supersport round in September that year, he crashed heavily after being struck by another rider's machine, breaking his left leg so badly that at one stage it was feared it might have to be amputated. After many surgical operations and a long period of recovery, he fractured the same leg in 2012 while practising exhibition-riding for a motorcycle show in London. Yet not even these disasters could keep the Yorkshireman from racing. After modifications to the gear levers and rear brakes on his race machines, he went out and won the 2013 Macau Grand Prix. Two years later saw an even more staggering return to form, when he secured three wins, a second and a third place at the 2015 Isle of Man TT, also winning the Joey Dunlop TT Championship Trophy for that year. Hutchy: Miracle Man is a book not only for fans of motorcycle road racing, but for anyone interested in the life and career of a brilliant rider and an extraordinarily brave and enduring man, a hugely popular figure not just for his achievements, but for his unassuming modesty, kindness and humour.
