Introduction To Social Work & Social Welfare: Critical Thinking Perspectives

Synopsis

Karen K. Kirst-Ashman's introductory book enhances the reader's ability to grasp the essence and spirit of generalist social work and the issues in social welfare that social workers address every day. Giving those contemplating a career in social work a solid introduction to the profession, Kirst-Ashman presents a balanced introductory look within a unifying theme of critical thinking that trains readers to be more evaluative of key concepts. The topics covered include practice concepts, social welfare policy concepts, history and current state of the profession, the contexts of practice and populations served, and professional development.

Customer Reviews

Karen K. Kirst-Ashman is Professor Emerita and former chairperson in the Social Work Department at the University of Wisconsin-Whitewater, where she taught for 28 years. She has written six social work textbooks in multiple editions and numerous publications, articles, and reviews on social work and women's issues. She also has served on the Editorial Board of AFFILIA: Journal of Women and Social Work, and as a consulting editor for many social work journals including the Journal of Social Work Education. Dr. Kirst-Ashman has been a member on the Board of the Council on Social Work Education (CSWE) and has served as a CSWE accreditation site visitor on various occasions. She is a Licensed Clinical Social Worker in the state of Wisconsin. She has been the recipient of both the University of Wisconsin-Whitewater Roseman Award for Excellence in Teaching and the University Outstanding Teaching Award. She earned her BSW degree and MSSW degree at the

University of Wisconsin-Madison and her Ph.D. in social work at the University of Illinois at Urbana-Champaign. She has worked as a practitioner and administrator in child welfare and mental health agencies.

A must read for any Social Work student. I just graduated and rented this book, now I'm kicking myself wishing I had purchased it. Kirst-Ashman does an amazing job writing this book for dealing in the Social Work field. Especially for college students who haven't been exposed to the field yet. I would recommend this for anyone interested in SW or even just wanting to learn more!

A++++

I had to have this book for my Social Work class. This book is not an easy read like others, it also does not list key or vocab words in the side margin, nor in a glossary, which make studying for a test hard especially in an online class. It explained a lot of the NASW Code of Ethics well, but it was boring to read which made getting through the chapters challenging.

Writing and Highlighting all over the text, made it very difficult to read

I bought this book for class but i cannot use it. The kindle app will not open this book. Would really like my money back.

this product was too expensive

Book took awhile to get, but we'll worth the \$\$ saved.

It was exactly what I needed and affordable
