I got this for my father and he cried. Great sentimental gift for a loving father. It helped him to reflect on growing up together and things we did together etc. It's a great way to let your father know that you love him and how much you love him and those memories you two shared will forever be cherished.

I like this book, it's short but it's fun. You can express all your feelings about your dad and I just got this book from my uncle. I already wrote some things I wanted to say about my dad and I love to write more here, I can express all my feelings for him. Very nice book. Recommended!
