## Customer Reviews

Patience Prence grabs your attention on the first page and doesn't let go until the end. Her storyline, which is based on the premise of the New Age movement who are looking for the false Christ maitreya, is spectacular. In the story he comes and tries to make his stand. Her exhaustive study and understanding of the Biblical books dealing with the days leading up to the Second Coming of the Messiah is evident in this FACT BASED Christian thriller. It is believed we are already in the very days that the Rapture could come at any time, The beginning of the Tribulation Period. Don't delay! If you don't already know Jesus as your Lord and Savior, make that decision today! This book will help give you confidence it's the right things to do.

This was a great book. It was easy to understand and read. I was engrossed and couldn't put it down. I highly recommend it for young adults. I will be passing it along to my boys to read. I look forward to more books from this author.

This is a Christian End Times novel. The reader finds the main character, Becky, running for her life.

The reasons for this unfolds in flashbacks through the eyes of Becky. I like that the reader finds out what is going on in the 'author's world' through Becky's eyes. It is a world that is different in some ways from our current one. The possibility does exist that our world may turn into this if the warning placed within the novel is not heeded. If you are a Christian and wonder what End Times may look like, this is the book for you. If you are a non-Christian and wonder why some Christians are the way they are, you may discover some answers within these pages.

I loved this book and finished it in one day! It's so close to what we will experience soon here on earth as Christians.

Great Book! It makes you think how will I react to end times prophesy coming to pass. Will I stand strong till the end. Matthew 10:32-33 32"Therefore everyone who confesses Me before men, I will also confess him before My Father who is in heaven. 33"But whoever denies Me before men, I will also deny him before My Father who is in heaven. I want to hear well done my good and faithful servant, do you? This book will help you decide. I will be purchasing this book for my library to share with others. TY Patience Prence for sharing it with us. May God Bless You!

Awesome book, I will be purchasing this book for our youth group at church to read. Amazing faith shown through a teenager makes you think about how strong your faith is for Jesus. The ending of the book was awesome I couldn't stop the tears to just think about how amazing Jesus is, was and will be!!! Jesus' scars are a reminder to us just how amazing his love is for us. This book brings the book of Revelations to today's time. I love how the author uses scripture as a reference throughout the story. These things will come to pass and I am so glad I am saved by the blood of Jesus Christ and will not have to endure this time of tribulation. However people will be born during this time and I pray they have the faith, strength and courage as Rebecca does in this story to choose Jesus. Love it!!!!

Written in 2010 and the events seem eerily close to our society today. People have blinders on and will keep following the darkness. I know this story as told in the Bible about future events yet the author weaves it into a modern tale we can easily relate to. Very well done. READ IT!

This book is a quick read into the reality for those still here during the end times, where we'll be asked to follow Jesus Christ even if our loved ones do not. Ms. Prence does a great job putting us in

the mind of a young girl forced to do so; at great price but also with great reward! Thanks for sharing the truth!
