Skateboarding Coloring Book

Synopsis

Color the history and style of skateboarding! The Skateboarding Coloring Book contains 60 pages and illustrations of authentic skateboarders to color. Skateboarders from all over the world act as models. Street, ramp, downhill and slalom. The Skateboarding Coloring book lets you color the different styles in skateboarding and the development of the fashion over the past 40 years, from the Californian pole skaters and knee-high socks of the 70s to the relaxed, fashion-conscious Brooklyn skaters of the 2000s and daredevil tricks in Moscow. The Skateboard Coloring Book also offers you the opportunity to make your own board designs. The Skateboarding Coloring Book is perfect for all skaters on rainy days, and anyone who hasn't skated, but has dreamt of it. The Skateboarding Coloring Book lets you get closer to the dream, discover new sides and get ready to take that first step on the board yourself. The pictures in the Skateboarding Coloring Book are inspired by photos taken by skating photographers from the US and Europe, from the 70s to this day.

Magnus Frederiksen is a Swedish illustrator and graphic designer of several years standing. He works as a teacher at Forsbergs School in Stockholm, where he teaches creative thinking, program technique and illustration. He has previously published the book VÄggar som viskar (Walls That Whisper), a photo book on abandoned houses. His skateboarding career was short, but his fascination for the speed and tricks lives on. The Skateboarding Coloring Book is his tribute to the life he never really led.

This is a super cool coloring book. The pictures span decades of skateboarding, from barefoot chicks on cruisers with beer in there hand to modern skate apparel and tricks. My son loves it and I have enjoyed it so much that I gave one to my friend who is 45 and he is stoked. Very cool!

This coloring book is so cool! My little skater is going to love this. The artwork is top notch. If he doesn't want to color it I will! Perfect for any skater.
