Book by Lee, Michael

Great quality on a hard to find book. Classic RPG books are getting harder and harder to find, especially ones in great condition.

great game

Ainda não tive a chance de ver o produto por inteiro, mas parece ser um dos melhores produtos da "velha" White Wolf. Muitos merits e flaws, várias características descritivas e opções de poderes para você fazer a forma apocalíptica de seu demônio, conforme o gosto de cada um, achei fantástico!! Pena que quando esse livro foi lançado não houve tanto alarde no Brasil, e todos aqui já estavam esperando pelo fracassado Vampire R.C. quem. Espero que a White Wolf volte a vender os livros desta série.

I like his players guide just as I like all White Wolf products. The Players Guide puts out a lot of good information and gives a better understanding of the "how" and more importantly the "why" of the game. If you're into the White Wolf universe and are going to use "The Fallen" as antagonist (I love them

for my HUNTER sessions, my players are puzzled as they haven't gotten online with Demon yet) get this book!

This book is a must have for any fan of Demon the Fallen. Rules for designing apocalyptic forms are fully written out as are the purpose that each of the apocalyptic forms played in creation. There are many other highly useful things in this book...but I won't list them all. This book is very helpful for anyone who needs help, or wants rules for truly customizing their character. This book also has surprisingly few typos for a White Wolf book.
