Blood Reign: LitRPG Series Book 1

Synopsis

When the king of Cold Crook dies without an heir, the search for a new king begins. Enter Codin, an apprentice to a tanner. He's never expected to amount to much, so he is surprised to learn that he is an old king's illegitimate son. That makes him the next in the line to the throne. Codin must learn to be a king. He has to grow his kingdom and improve his own skills, while making sure a web of conspiracy spun by hidden enemies doesn't trap him. This is book 1 in a LitRPG series.

Customer Reviews

This isn't really LITRPG. It's more akin to reading the Cliff's Notes of someone's old 8-bit game. The writing is clean, there is no lead-in to speak of, or explanation of the dynamics, though easy enough to figure out. It's just not much to read, as it is lacking in many regards.
