Vigilante Assassin: An Action Thriller (Jake Wolfe Book 2)

Synopsis

Every marriage has a secret, but this one is deadly. Lauren Stephens wakes up to find her husband, Gene, has vanished during the night. His phone is dead. Desperate, she hires Jake Wolfe and his war dog, Cody. They search the house and discover something so disturbing that Jake won't allow Lauren near it. "No, if you see this, there is no unseeing it." Lauren thought she had it all: a loving partner, two great kids, a successful business, and a beautiful home in the San Francisco hills. But all of that is about to come crashing down, due to a frightening secret that will shock a trusting wife to the core. Gene had enemies, and now they want something from Lauren. Jake Wolfe is a flawed man who has a bad habit of being in the wrong place at the wrong time. He wants to leave his secret, violent past behind him, but when Lauren and her children are threatened, his protective instinct takes command. Jake soon finds himself involved in a dangerous conspiracy, targeted for death, and engaged in battle with a powerful, unseen group who will stop at nothing to get what they want. Jake's going to have to think fast and fight hard to protect Cody, Lauren and her kids. Vigilante Assassin is Jake Wolfe book two in the ongoing series. It can be read as a stand-alone, or readers can start with book one, titled: Dead Lawyers Don't Lie. Both of these Kindle Unlimited books in the Jake Wolfe mystery thriller novel series are available to read for free with your subscription to Kindle Unlimited.
